Re: Statement of Balancing Service Charges No. 42

Dear Secretary Burgess:

Consolidated Edison Company of New York, Inc. ("Con Edison" or "the Company") is filing today the Statement of Balancing Service Charges No. 42, effective November 30, 2016, replacing the Statement of Balancing Service Charges No. 41 effective November 11, 2016. This filing is pursuant to the provisions of Con Edison's Schedule for Gas Service, PSC No. 9 - Gas, which allows the Company to periodically review and update the charges included in this Statement.

The Company is re-stating the Daily Delivery Service rates for November 2016 to display the rates as annual demand charges, consistent with the Gas Tariff, as well as display the effective monthly rate.

Statement of Balancing Service Charges No. 42  
for Service Classification Nos. 9 and 20  
Effective November 30, 2016

Respectfully submitted,

CONSOLIDATED EDISON COMPANY OF NEW YORK, INC.
