RE: Case 09-M-0114 and Case 09-M-0243, Revenue Adjustment Clause

Dear Secretary Burgess:

Consolidated Edison Company of New York, Inc. (“Con Edison” or the “Company”) is filing with the Public Service Commission (the “Commission”) amendments to its Schedule for Electricity Service, P.S.C. No. 10 – Electricity (the “Electric Tariff”), applicable to its customers in the City of New York and the County of Westchester. The Company is also filing amendments to its Schedule for New York Power Authority (“NYPA” or “PASNY”) Delivery Service, P.S.C. No. 12 – Electricity (the “PASNY Tariff”),¹ applicable to delivery by the Company of power and associated energy to Authority Public Customers under the PASNY Tariff.

The Company’s Electric Tariff and PASNY Tariff amendments are issued to become effective on April 29, 2016. The specific Tariff Leaves and Statements being revised are identified in Appendix A.

Reason for Filing

The Commission’s Order Adopting the Terms of a Joint Proposal, issued April 20, 2016, in Case 09-M-0114² and Case 09-M-0243³ (the “2016 Order”) adopted the Joint Proposal set forth in Appendix A of the 2016 Order and concluded the Commission’s review of the Company’s contract-related capital, O&M and related expenditures, as set forth in the Commission’s Order, dated February 12, 2009, in Case 09-M-0114.

¹ The PASNY Tariff is titled, “Delivery Service Rate Schedule Implementing and Part of the Service Agreement Between the Power Authority of the State of New York (PASNY) and the Consolidated Edison Company of New York, Inc. (the Company) dated March 10, 1989.”

² “Proceeding on Motion of the Commission to Examine the Prudence of Certain Capital Program and Operation and Maintenance Expenditures by Consolidated Edison Company of New York, Inc.”

³ “Comprehensive Investigative Accounting Examination of Consolidated Edison Company of New York, Inc.”

Tariff Changes

Pursuant to the Rate Adjustment Clause ("RAC") provision in the Electric and PASNY Tariffs, a portion of the annual rate year revenue requirement was set aside pending the Commission's review. In addition, the portion of rates and charges in each Tariff that comprised the RAC was separately identified on the Statement of RAC. Due to the Commission's final determination in this matter, and in order to effectuate the terms of the 2016 Order, the Company is filing changes to the Electric and PASNY Tariffs to eliminate the RAC provision and cancel the associated Statement of RAC.

Conclusion and Notice

Pursuant to Ordering Clause 2 of the 2016 Order, this filing is being made on not less than one day's notice, to become effective on a temporary basis within 14 days of the 2016 Order's issuance.

The Company will publish notice of the proposed tariff changes on May 6, 13, 20, and 27, 2016. Pursuant to Ordering Clause 3 of the 2016 Order, the Commission waived the requirement of Section 66(12)(b) of the Public Service Law that newspaper publication be completed before the effective date of the proposed Tariff amendments.

Copies of this filing are being sent to the active party list in Cases 09-M-0114 and 09-M-0243.

Sincerely,

/s/ William A. Atzl, Jr.
Director
Rate Engineering Department
