Re: Availability of Certain Business Services to Resellers

Dear Secretary Burgess:

The following schedule, issued by Verizon New York Inc. ("Verizon"), is transmitted for filing in accordance with the requirements of the Public Service Commission, State of New York, to be effective March 1, 2016 with an implementation date of April 17, 2016:

PSC NY No. 9--COMMUNICATIONS
Section 9
3rd Revised Page 8
Attachment 5, 5th Revised Page 1

The proposed revisions will enable resellers to obtain certain grandfathered retail services for a limited period of time. The services in question, which are being grandfathered effective March 1, 2016, are Intellipath Digital Centrex Service Electronic Telephone Service Features and ISDN Basic with Digital Centrex Service. From March 1, 2016 to April 17, 2016, these services will be available to resellers on a non-resale basis, under the terms and conditions set forth in the relevant retail tariffs, at retail price less the resale discount.

Customers will be notified of this filing via an Industry Letter to be issued by March 2016. Therefore, we respectfully request waiver of any newspaper publication requirements.

Respectfully submitted,

A handwritten signature in black ink that reads "Keefe B. Clemons".

Keefe B. Clemons
