Re: Case 15-E-0186- Dynamic Load Management ("DLM"):
Central Hudson Compliance Filing

Case 14-E-0423- Proceeding on Motion of the Commission
to Develop Dynamic Load Management Programs

Dear Secretary Burgess:

The amended tariff leaves set forth below are being filed by Central Hudson Gas & Electric Corporation ("Central Hudson" or "the Company") on February 16, 2016 to become effective on June 1, 2016 in compliance with the Commission Order in C. 15-E-0186 and 14-E-0423 issued and effective June 18, 2015.

P.S.C. No. 15 – Electricity

1 st Revised Leaf No. 163.5.38	1 st Revised Leaf No. 163.5.42
1 st Revised Leaf No. 163.5.39	1 st Revised Leaf No. 163.5.44
1 st Revised Leaf No. 163.5.40	1 st Revised Leaf No. 163.5.47
1 st Revised Leaf No. 163.5.41	

As directed in Ordering Paragraph 3, the purpose of this filing is to propose revisions to the Dynamic Load Management ("DLM") programs that were originally filed on March 23, 2015, and which the Commission subsequently approved, with modifications, on June 18, 2015.

The amended tariffs include specific program changes that will increase customer participation and better align the program payment structure with the established benefit stream associated with the Company's DLM programs. Concurrently, a petition is being filed today, February 16, 2016, in the instant proceedings explaining in detail these proposed changes.

Pursuant to Ordering Paragraph 5 of the Order in the above mentioned cases, the Commission directed Central Hudson to file a petition to implement a non-bypassable delivery charge to recover all incremental costs that the Company will incur associated with its DLM program. This petition was filed on September 15, 2015, with no Commission ruling as of the date of this filing.

Pursuant to Ordering Paragraph 7 of the Order, the requirements of Public Service Law §66(12)(b) regarding newspaper publication of these tariff amendments has been waived.

Questions related to this filing should be addressed to Darlene Clay at 845-486-5466 or by email to dclay@cenhud.com.

Very truly yours,

Michael L. Mosher
Vice President – Regulatory Affairs
