Case 15-E-0745 - Compliance Filing to Effectuate Amendments of Public Service Law 70-a Transfer of Street Light Systems

Dear Secretary Burgess:

The amended tariff leaves set forth below are filed by Central Hudson Gas & Electric Corporation ("Central Hudson" or "the Company") on February 19, 2016 to become effective June 1, 2016.

P.S.C. No. 15 – Electricity

2nd Revised Leaf No. 224
Original Leaf No. 224.1

Pursuant to Notice Establishing Filing Requirements in Case 15-E-0745 Issued December 23, 2015, the amendments listed herein provide for the establishment of a process to facilitate the transfer of complete systems of street light equipment, including supporting infrastructure pursuant to Section 70-a of the Public Service Law effectuated through Chapter 495 of the Laws of 2015 which becomes effective March 19, 2016.

As directed by the Notice, the major electric utilities met with Public Service Commission Staff to discuss the new requirements and worked collaboratively to design proposed tariff amendments. The amendments filed herein reflect consistent language where applicable, while also recognizing that each Company's operations differ.

The Company requests that the requirements of Section 66(12)(b) of the Public Service Law as to newspaper publication for the amendments listed herein be waived as they will not have a material impact on customers.

Questions related to this filing should be directed to Jay Tompkins at jtompkins@cenhud.com or (845) 486-5203.

Yours very truly,

Michael L. Mosher
Vice President - Regulatory Affairs
