Dear Secretary Burgess:

RE: Case 15-E-0364 - Mohawk Municipal Commission

Due to continuing circumstances related to the 2013 flooding of the Mohawk Valley, the Mohawk Municipal Commission has not been able to devote significant and timely efforts in responding to Staff's information requests and related inquiries concerning its most recent Rate Filing. As such, the Mohawk Municipal Commission has elected to withdraw its Rate Filing, originally dated June 19, 2015, with an initial effective date of December 1, 2015. This original filing was subsequently postponed to May 1, 2016. Attached for filing with the Commission is Cancellation Supplement No. 5, effective February 29, 2016, to PSC No. 2 Electricity in Case No. 15-E-0364.

It is anticipated that the Mohawk Municipal Commission will again pursue a Rate Filing in early March 2016, using the fiscal year end May 31, 2015, as its Historic Test Year.

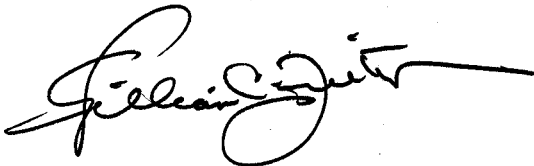

As the filing is a cancellation, permission is also requested for a waiver from the Commission's regulations governing newspaper publication of the enclosed supplement.
