Re: Case 15-E-0519 Recovery of Certain NYISO
Tariff Charges

Dear Secretary Burgess:

By letter dated September 10, 2015, Orange and Rockland Utilities, Inc. (the "Company") made a tariff filing with the Public Service Commission proposing changes to the Company's Schedule for Electric Service, PSC No. 3 – Electricity to provide for recovery of certain NYISO charges from the Company's full service customers. The tariff changes were proposed to become effective on December 27, 2015.

At the request of the Staff of the Department of Public Service, the Company is postponing to January 26, 2016, the effective date of the tariff changes that were filed on September 10, 2015. Accordingly, the Company hereby submits Supplement No. 13 to P.S.C. No. 3 – Electricity to postpone the effective date of the tariff changes to January 26, 2016.

The Supplement is issued on 30 days' notice and has an effective date of January 15, 2016. However, since the tariff leaves currently have an effective date of December 27, 2015, the Company requests that it be authorized to put the Supplement filed today into effect on short notice, i.e., December 27, 2015. The Company also respectfully requests waiver of notice requirements of the proposed change in the effective date.

Questions regarding this filing can be directed to Cheryl Ruggiero at (212) 460-3189.

Very truly yours,

/s/
