Honorable Kathleen H. Burgess, Secretary  
New York State Department of Public Service  
Three Empire State Plaza  
Albany, NY 12223-1350

Dear Secretary Burgess:

The enclosed statements, issued by Rochester Gas and Electric Corporation ("RG&E" or the "Company"), are transmitted for filing in compliance with the requirements of the Public Service Commission ("PSC" or "Commission") of the State of New York:

P.S.C. No. 16 - Gas

Gas Supply Charge (GSC)	Statement No. 154	Effective: Nov. 1, 2015
Incremental Gas Supply Charge (IGSC)	Statement No. 99	Effective: Nov. 1, 2015
Large Transportation Service Rate Adjustment (LTSR)	Statement No. 142	Effective: Nov. 1, 2015
Small Transportation Service Rate Adjustment (STSR)	Statement No. 143	Effective: Nov. 1, 2015
Merchant Function Charge (MFC)	Statement No. 62	Effective: Nov. 1, 2015

In accordance with the Commission's Order Establishing Rate Plan issued and effective September 21, 2010 in Case 09-G-0718, the Prior Period Reconciliation component of the MFC has been updated for the cost elements that are subject to reconciliation.

Due to a change in gas pipeline contracts, RG&E is updating Empire pipeline and storage assets in the calculations for the GSC and Small Transportation Service Rate Adjustment.

These rates will continue in effect until there are changes in the cost of gas that require modifications.

Respectfully submitted,

A handwritten signature in blue ink that reads "Mark O. Marini".
