Pursuant to the Commission's Order issued October 16, 2015 in Case 14-G-0494 Service Classification ("SC") No. 3 has been cancelled and the rate provisions applicable to customers served under SC No. 7 have been modified. Effective November 1, 2015, since service under SC No. 3 is no longer available, Statement IGR-222 has been set to make all rates zero and a note has been added to that statement indicating that the IGR statement would not be filed in the future. In addition, since details of the rates applicable to SC No. 7 customers has been moved into the Tariff, Statement NGV-222 has been set to make all rates zero, and notes have been added to that statement indicating that SC No. 7 rates are now described in the Tariff and the IGR statement would not be filed in the future.

In addition, beginning November 2015, the rate for Winter Bundled Sales ("WBS") service gas purchases has been removed from the Rates to Qualified Sellers and Firm Transporters of Gas and will be moved to a new statement, the Statement of Winter Bundled Sales Service ("WBSS") applicable to Service Classification No. 11 customers. This statement will be filed by mid-month every month.
