RE: Windham Ridge Water Corp. - Minor Rate Filing

Dear Secretary Burgess:

The enclosed tariff amendments to P.S.C. No. 1 - Water are transmitted electronically for filing in compliance with the requirements of the Public Service Commission of the State of New York:

P.S.C. No. 1 - Water

First Revised Leaves Nos. 2, 3 and 10

Second Revised Leaf No. 12

Original Leaves Nos. 13 and 14

Effective: January 1, 2016

Windham Ridge Water Corp. (the Company) is requesting approval to increase its total annual revenues by approximately \$15,059 or 24.8% by applying a 26.3% increase to residential rates applicable to Townhouses and Detached Homes and by applying a 26.6% increase to the commercial rate for the single Community Center customer; no change to the \$3.00 per 1,000 gallon rate for all consumption is proposed. This rate increase is necessary due to increases in operating expenses since the current rates went into effect on October 29, 2007. The Company is also requesting approval to cancel its Escrow Account Statement No. 2 upon approval of the new rates.

The Company is also requesting approval to modify the restoration of service charges to be consistent with charges in the standard small water company tariff. The charge to restore service after discontinuance at the customer's request, for non-payment, or for violation of rules, is proposed to increase from \$25.00 to \$50.00 during normal business hours (8:00 a.m. to

4:00 p.m., Monday through Friday), from \$40.00 to \$75.00 outside of normal business hours Monday through Friday, and from \$75.00 to \$100.00 on weekends or public holidays. In addition to these changes, the Company is also proposing to modify the language in its standard tariff on Leaf 2 to require applications for water service that would be included in Proposed Leaves 13 and 14; as a result, the table of contents on Leaf 2 would also be updated to reflect the new leaves.

Waiver of newspaper publication is requested for the attached minor rate filing because the Company will individually notify its customers of the proposed rate change.

Other information will be provided as requested.

Very truly yours,  
Windham Ridge Water Corp.
