Dear Secretary Burgess:

On June 17, 2015, Frontier Communications of New York, Inc. filed a tariff to detariff non-basic retail telecommunications services. Since this filing Jenny Quirk brought to our attention a change she would like made to the rate section of this page. This filing ensures the rate section is how she wanted it to read.

If there are any questions, please contact Tanya Swanson at (651) 257-4835 or Leslie Zink at (585) 777-4717.

Sincerely,

/s/ **Leslie Zink**
