RE: Case No. 12-E-0201 – Proceeding on Motion of the Commission as to the Rates, Charges, Rules and Regulations of Niagara Mohawk Power Corporation d/b/a/ National Grid for Electric Service

Dear Secretary Burgess:

The leaves below are being issued in compliance with the Commission's "Order Approving Electric and Gas Rate Plan in Accord with Joint Proposal" (the "Order") in Case No. 12-E-0201 issued March 15, 2013.

Twelfth Revised Leaf No. 31
Fourteenth Revised Leaf No. 32
Twelfth Revised Leaf No. 33
Fifth Revised Leaf No. 38.1

To P.S.C. No. 214 Electricity

Effective: August 1, 2015

On February 27, 2015 the Company issued its filing in accordance with the above Order setting forth the rates for rate year 3 of the Joint Proposal in this case. These leaves became effective April 1, 2015 on a temporary basis. It has come to the Company's attention that a small number of rates were inadvertently filed incorrectly with the February 27, 2015 filing. This filing proposes to correct these rates to be consistent with the rates filed in the Joint Proposal for Rate Year 3 and is proposing to make a one time adjustment on customer's bills in the August 2015 billing period.

Waiver of the requirements of newspaper advertisement in accordance with Public Service Law §66(12) is requested for this filing since these requirements were completed with the original filing of February 27, 2015. Also, the Company respectfully requests that these rates become effective on August 1, 2015 to ensure customers are being billed on the correct rate.

This filing is being made in accordance with Appendix 7-H (electronic filing system) to the Commission's Codes, Rules and Regulations (16 NYCRR, Appendix 7-H).

If you have any questions concerning this filing, please contact me at (315) 428-6833 or at Patricia.Rivers@nationalgrid.com.

Sincerely,

/s/ Patricia J. Rivers
