Dear Secretary Burgess:

By letter dated June 29, 2015, Orange and Rockland Utilities, Inc. (the "Company") filed amendments to its Schedule for Electric Service, PSC No. 3 – Electricity to become effective July 20, 2015, proposing changes to net metering in compliance with PSC orders in the above-referenced cases.

The attached postponement supplement is being filed at the request of the Public Service Commission (the "Commission") to allow further time to review the filing presently before the Commission. The Company accordingly files Supplement No 10 to postpone the effective date of the tariff amendments to August 20, 2015. Supplement No. 10 is issued July 8, 2015 with an effective date of August 8, 2015.

Short notice is requested for this supplement to become effective on less than thirty days' notice on July 20, 2015, the proposed effective date of this filing. Also, waiver of the newspaper publication requirements of PSL §66-12 and 16NYCRR 720.8 is requested for this filing.

Questions regarding this filing can be directed to Cheryl Ruggiero at (212) 460-3189.

Very truly yours,

William A. Atzl, Jr.
