

September 16, 2016

Honorable Kathleen H. Burgess, Secretary
State of New York
Public Service Commission
Office of the Secretary, 19th Floor
Three Empire State Plaza
Albany, NY 12223

Dear Secretary Burgess:

The attached leaf, issued by Niagara Mohawk Power Corporation d/b/a National Grid ("the Company"), is being transmitted for filing in accordance with the requirements of the Public Service Commission ("Commission"), State of New York.

Ninth Revised Leaf No. 28
Fifteenth Revised Leaf No. 31

To P.S.C. No. 214 Electricity

Effective: January 1, 2017

Tariff Amendments

The purpose of this filing is to update the Light Emitting Diode ("LED") wattages under PSC 214 Service Classification No. 2 – Street Lighting – Unmetered Company Owned / Company Maintained facility ("SC-2").

On October 30, 2015 in Case 15-E-0645, the Company issued a filing to the Commission incorporating a Light Emitting Diode (LED) street lighting luminaire option in PSC No. 214 Electricity. When this filing was issued to the Commission, the filing contained estimated wattages for the LED offering. Through a bidding process, the Company has now selected the LEDs that will be installed under this option and the wattages are lower than originally filed for all four of the LED Roadway luminaire options. These lower luminaire wattages results in reduced billable wattages proposed in the tariff to more accurately reflect actual energy usage.

The four LED options were originally referenced as A, B, C, and D in the Tariff, and with this filing are now to be referenced as B, C, D, and F, to maintain labelling consistency in the field with LED options across the National Grid companies.

Attachment 1 included with this filing shows where the changes have occurred in the attached leaves.

Request for Newspaper Advertising

The Company respectfully requests waiver of the newspaper publication requirements of Public Service Law § 66(12)(b) and 16 NYCRR 720.8 because of the limited scope of this filing, which only affects municipalities seeking LED installations.

Please advise the undersigned of any questions regarding or action taken with respect to this filing.

Sincerely,

/s/ Carol Teixeira
