Re: Case 14-M-0565 – Proceeding on Motion of the Commission to Examine programs to Address Energy Affordability for Low Income Customers.

Case 20-M-0266 – Proceeding on Motion of the Commission Regarding the Effects of COVID-19 on Utility Service.

Dear Secretary Phillips:

In compliance with the Public Service Commission's Order Authorizing Phase 2 Arrears Reduction Program in the above referenced proceedings, issued and effective January 19, 2023 (the "Order"), New York State Electric & Gas Corporation ("NYSEG") and Rochester Gas and Electric Corporation ("RG&E"), (together the "Companies"), hereby file revised statements for the Arrears Relief Program ("ARP") to become effective October 1, 2023.

After the August 1, 2023 filing, the Companies realized the filing on August 1, 2023 inadvertently included an estimate of the amount of arrears credited to the customers and not the actual amount of arrears credited to customers. The largest difference at both Companies is the split between electric and gas.

NYSEG

ARP Statement No. 6 to PSC No. 120 Electricity
ARP Statement No. 5 to PSC No. 121 Electricity
ARP Statement No. 5 to PSC No. 87 Gas
ARP Statement No. 5 to PSC No. 88 Gas

RG&E

ARP Statement No. 5 to PSC No. 18 Electricity
ARP Statement No. 5 to PSC No. 19 Electricity
ARP Statement No. 5 to PSC No. 16 Gas

The filing of changes to the Arrears Relief Program Surcharge is in accordance with the Companies filed tariffs. The Arrears Relief Program Surcharge Statements will be filed on not less than 3 days' notice.

Please direct any questions to me at (607) 422-9478.
