Dear Secretary Phillips:

On November 22, 2022, Consolidated Edison Company of New York, Inc. (the “Company”) filed with the Public Service Commission (the “Commission”) amendments to its steam rate schedule, P.S.C. No. 4 – Steam, to increase its steam rates and make certain other tariff changes. The tariff leaves were issued with an effective date of December 23, 2022. Those leaves were suspended through October 21, 2023, pursuant to the Secretary’s *Notice of Further Suspension of the Effective Date of Major Rate Change*, issued and effective March 7, 2023.

As directed by the Commission in the *Order on Extension of Maximum Suspension Period of a Major Rate Filing*, issued and effective October 13, 2023, the Company is submitting Supplement No. 20 to P.S.C. No. 4 – Steam, to further suspend the tariff amendments through December 20, 2023.
