Re: Case 19-W-0253 – Minor Rate Filing of Southside Water Inc. to Increase its Annual Revenues by About \$37,474 or 53.14% and to Increase the Maximum Balance in its Escrow Account from \$5,520 to \$11,000.

Dear Secretary Phillips:

On behalf of the Southside Water Inc. (Southside or the Company), please find enclosed a Purchased Water Adjustment Statement No. 8, to be filed in the Company's tariff schedule, P.S.C. No. 1 - Water. The proposed revision would raise the surcharge from \$0.00 to \$0.33 per centrum cubic foot (ccf). This statement is being filed in compliance with the Commission's Order Determining Revenue Requirement, Denying Rate Increase, and Approving Surcharge, issued on January 17, 2020, in the above referenced case. The Statement is being filed on not less than five days' notice, to become effective August 1, 2023.

Support for the surcharge increase application is demonstrated in enclosed documents.

Sincerely,

James V. Lettiere, Jr., Director
Southside Water Inc.
