**Re: Case 21-G-0577 - Proceeding on Motion of the Commission as to the Rates,
Charges, Rules and Regulations of Liberty Utilities (St. Lawrence Gas)
Corp. for Gas Service.**

Dear Secretary Phillips,

Enclosed are the tariff leaf revisions and additions transmitted for filing by Liberty Utilities (St. Lawrence Gas) Corp. ("the Company") pursuant to the New York State Public Service Commission's ("the Commission") *Order Adopting Terms of the Joint Proposal and Establishing Gas Rate Plan* Case 21-G-0577 (Issued and Effective June 22, 2023) ("the Order").

Per Ordering Clause No. 5, the requirements of § 66(12) of the Public Service Law and 16 NYCRR 270.70 that newspaper publication be completed before the effective date of the amendments were waived with respect to the Rate Year One revisions. The Company, however, is directed to file with the Commission, within six weeks of the effective date of the amendments, proof that notice to the public of the changes set forth in the amendments and the effective date has been published once a week for four consecutive weeks in daily and weekly newspapers having general circulation in the service territory and areas affected by the amendments.

If you have any questions or require further information, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink that reads 'K Baxter'.
