Dear Secretary Burgess:

Pursuant to Ordering Clause 1 in the Public Service Commission's order issued and effective May 18, 2023 ("Order") in the above captioned proceeding, Central Hudson Gas & Electric Corporation hereby files an amended tariff leaf to its Schedule for Electric Service, PSC No. 15 – Electricity.

**P.S.C. No. 15 – Electricity**

9<sup>th</sup> Revised Leaf No. 272.10

These amendments are being filed May 31, 2023, to become effective June 1, 2023 to remove specific sunset dates for the Residential and Small Commercial Exemption, Energy Storage Exemption, and Designated Technologies Exemption. In addition, the leaf clarifies the specific technologies eligible to participate in the Designated Technologies Exemption and removes language that is no longer applicable to these Designated Technologies.

Pursuant to Ordering Clause 6 of the Order, the requirements of Public Service Law §66(12) (b) regarding newspaper publication of these tariff amendments have been waived.

Respectfully,

Joseph Hally
