Dear Secretary Phillips:

RE: Case 22-E-0501 - Minor Rate Filing of the Village of Philadelphia – Further Postponement.

The enclosed Supplement No. 4 to P.S.C. No. 1 - Electricity, is transmitted electronically for filing in compliance with the requirements of the Public Service Commission of the State of New York. This Supplement is being filed to correct Supplement No. 3, that was filed on March 1, 2023, which inadvertently omitted the further revisions that were filed in this proceeding.

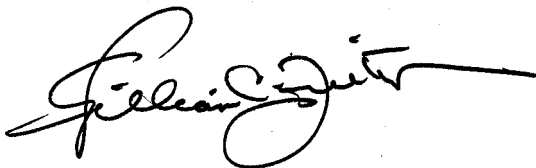

The Village of Philadelphia requests further postponement of the proposed tariff amendments in the above-referenced proceeding from April 1, 2023 to June 1, 2023. The further postponement is requested to allow the Village of Philadelphia to send in additional information as requested by Commission Staff. Waiver of newspaper publication is requested for the supplement. The Village of Philadelphia is also requesting that Supplement No. 4 be allowed to go into effect on less than statutory notice, March 31, 2023.
