Honorable Michelle Phillips, Secretary
State of New York
Public Service Commission
Office of the Secretary, 19th Floor
Three Empire State Plaza
Albany, NY 12223

Dear Secretary Phillips:

The attached statement, issued by Niagara Mohawk, d/b/a/ National Grid (Company), is being transmitted for filing in accordance with the requirements of the New York State Public Service Commission (Commission) under Case 15-E-0751:

Customer Benefit Contribution (CBC) Charge Statement
Statement No. 4
To P.S.C. No. 220 Electricity
Effective: January 1, 2023

Attachment 1 details the allocation of costs included in the CBC calculation by service classification. Costs included in the 2023 CBC calculation include: actual Electric Energy Affordability Program (EAP) expenditures and Waiver of Reconnection Fees in prior 12 months (month ending November 30, 2022), Energy Efficiency Transition Program dollar amount embedded in Rate Year 2 base rates per Joint Proposal in Case 20-E-0380, and Clean Energy Fund (CEF) rate as calculated in System Benefit Charge Statement No. 25. Attachment 2 shows the annual and monthly per kW DC installed CBC rates for each service classification and technology for applicable Phase One NEM and Value Stack customers.

This CBC Charge Statement is filed with the Commission on not less than fifteen (15) business days before the effective date in accordance with Rule No. 40.1-Phase One NEM in PSC No. 220 Electricity and is effective January 1, 2023 for applicable customers.

Please direct any questions regarding this filing to the undersigned.

Sincerely,

/s/ Carol Teixeira

Carol Teixeira,
