Re: Statements of Percentage Increase in Rates and Charges

Dear Secretary Phillips:

Consolidated Edison Company of New York, Inc. (the "Company") is filing the following Statement of Percentage Increase in Rates and Charges to PSC No. 12 – Electricity:

GRT-PASNY Statement No. 13 to P.S.C. No. 12 – Electricity

The statement is to become effective on February 1, 2023.

This filing is in accordance with the Company's tariff, which requires the Company to file a revised statement if the percentage increase is adjusted. The percentage increase has been adjusted to reflect the Company's 2022 ratio of electric profit to net operating revenue as applicable.

Respectfully submitted,
