Re: Metropolitan Transportation Authority  
Business Tax Surcharge Adjustment

Dear Secretary Phillips:

Orange and Rockland Utilities, Inc. (the "Company") hereby submits for filing Statement of Increase in Rates and Charges No. RTS-66 to its Schedule for Gas Service P.S.C. No. 4 - GAS. The Company also filed today Statement of Increase in Rates and Charges No. RTS-25 to its Schedule for Electric Service, P.S.C. No. 3 - ELECTRICITY. These Statements are issued January 10, 2023, to become effective February 1, 2023.

The Company's tariff schedules, General Information Section No. 15 of P.S.C. No. 4 - GAS and General Information Section No. 19 of P.S.C. No. 3 - ELECTRICITY, provide for reconciliation of the Temporary Metropolitan Transportation Authority Business Tax Surcharge (MTA Tax) recoveries with the MTA Tax expenses. The tariff provisions further provide for adjustment, if necessary, of the revenue tax surcharge rates in the last two months of each fiscal period to reflect the results of the reconciliation.

Attached are work papers detailing the reconciliation and determination of the proposed electric and gas MTA Tax Surcharge rates for the billing months of February and March 2023.

Questions regarding this filing can be directed to Cheryl Ruggiero at (212) 460-3189.

Very truly yours,

/s/

William A. Atzl, Jr.  
Director – Rate Engineering
