Re: Case 22-M-0159 - Proceeding to Implement Customer Credits and Reimbursements to Public Service Law Section 73.

Dear Secretary Phillips,

Enclosed are the following tariff leaf revisions and additions transmitted for filing by Liberty Utilities (St. Lawrence Gas) Corp. ("the Company") pursuant to the New York State Public Service Commission's ("the Commission") *Order Implementing Public Service Law Section 73* in Case 22-M-0159 (Issued and Effective July 14, 2022) ("the Order").

1. Revised Leaf 3, Table of Contents, Revision 2
2. Revised Leaf 107, Revision 1
3. Revised Leaf 108, Revision 2
4. Original Leaves 108.1, 108.2, 108.3

Within the Order the Commission adopted rules, standards, procedures, methodologies, and definitions that utilities must comply with as required in Public Service Law ("PSL") Section 73. The Commission also required utilities to provide customer outage credits and reimbursements consistent with the contents of the Order and file tariff leaves, effectuating the same on July 25, 2022, on a temporary basis, with no less than three days' notice.

While the Company endeavored to draft tariff leaves in compliance with the Order, it was waiting for responses from various parties to inquiries made regarding the Order and inadvertently missed the filing deadline. Fortunately, there have been no events since April 21, 2022 - - the effective date of PSL Section 73. Accordingly, please accept this filing, issued September 26, 2022, to become effective on a temporary basis on September 29, 2022.

Additionally, the Company requests that the requirements of PSL §66(12)(b) and 16 N.Y.C.R.R. Part 720-8 as to newspaper publication be waived, as the Company will publish this information on its website.

Sincerely,
Kimberly S.
