RE: Case 20-W-0102—Tariff Adoption

Dear Secretary Phillips,

Please accept the submission for 20-W-0102— Supplement No. 13 Tariff Adoption.

On December 16, 2021, the New York State Public Service Commission (the “Commission”) issued its Order Adopting Terms of Joint Proposal, Approving Stock Purchase Agreement and Long-Term Indebtedness, with Additional Requirements in the above-referenced proceeding. The Order notes that following Liberty Utilities (Eastern Water Holdings) Corp.’s purchase of all of New York American Water Company, Inc.’s (“NYAW”) issued and outstanding capital stock (the “Transfer”), NYAW’s corporate name may change. On January 1, 2022, the Transfer occurred and the next day NYAW’s corporate name changed to Liberty Utilities (New York Water) Corp. (“Liberty Water NY”). Supporting documentation for this transaction was filed with the commission on January 13, 2022.

As a result of the above transaction, Liberty Utilities (New York Water) Corp. adopted the tariff of New York American Water Company, Inc. effective January 1, 2022.

Customers were sent a welcome letter notifying them of changes to bills, signage, vehicles and uniforms. The letter also provided the contact phone number and website address if they had any questions. A bill message and social media campaign also took place. Supporting documents included in this filing are:

- Name change letter and certificate filed January 13, 2022 with customer welcome letter.
- Customer outreach campaign filed January 31, 2022
- Tariff adoption supplement No. 13

Please let me know if you have any questions or require further information. Thank You.

Sincerely,
Lisa Figliozzi
Manager, Regulatory Affairs
