Re: Case Nos. 22-G-0081 and 22-G-0082 - Tariff filing by New York State Electric & Gas Corporation and Rochester Gas and Electric Corporation to Make Revisions to its Gas Tariff Schedule, P.S.C. No. 90, and P.S.C. No. 16, to Eliminate Provisions Regarding Outdoor Gas Lighting.

Dear Secretary Phillips,

The enclosed Supplements, issued by New York State Electric & Gas Corporation ("NYSEG") and Rochester Gas and Electric Corporation ("RG&E") (together the "Companies"), are transmitted for filing in accordance with the requirements of the New York State Public Service Commission.

Supplement No. 30 to P.S.C. No. 90 – Gas
Supplement No. 49 to P.S.C. No. 16 – Gas

Effective: June 22, 2022

These postponement supplements are being filed at the request of Department of Public Service Staff to allow additional time for review. These supplements propose to postpone the effective date of the filed tariff leaves until October 1, 2022.

The Companies request that the requirement of Section 66(12) (b) of 16 NYCRR Section 720-8.1 as to newspaper publication be waived as these postponements do not directly impact the Companies' customers.

If you have any questions concerning this filing, please contact me at lacole@nyseg.com or (607) 644-8773.

Respectfully Submitted,

A handwritten signature in black ink that reads "Lori A. Cole".
