Honorable Michelle L. Phillips, Secretary State of New York Public Service Commission Office of the Secretary, 19th Floor Three Empire State Plaza Albany, New York 12223-1350

RE: Case 20-G-0381 – Proceeding on Motion of the Commission as to the Rates, Charges, Rules and Regulations of Niagara Mohawk Power Company d/b/a National Grid for Gas Service.

Dear Secretary Phillips:

In accordance with Section 4.5.5 of the Joint Proposal approved by the Public Service Commission's *Order Adopting Terms of Joint Proposal, Establishing Rate Plans and Reporting Requirements* (issued and effective January 20, 2022) in Case 20-G-0381 (the "Order"), Niagara Mohawk Power Company d/b/a National Grid ("Niagara Mohawk" or "Company") submits for filing the gas tariff leaves listed below:

Ninth Revised Leaf No. 11 Original Leaf No. 11.1 Second Revised Leaf No. 12 Tenth Revised Leaf No. 13 Second Revised Leaf No. 14.1 Sixth Revised Leaf No. 48 Second Revised Leaf No. 71 Ninth Revised Leaf No. 171

To Schedule for Gas Service, P.S.C. 219-GAS

Effective: 5/23/2022

The purpose of this filing is to streamline the general information section of Niagara Mohawk's tariff, PSC No. 219 – Gas ("Tariff"), in a manner consistent with the recommendations filed by the Company's Gas Rate Design Panel on July 31, 2020 in the above-referenced matter within 120 days of the Order.

The effort to align and streamline the Tariff with the tariff provisions of Niagara Mohawk's downstate affiliates, KeySpan East Gas Corporation d/b/a National Grid ("KEDLI") and The Brooklyn Union Gas Company d/b/a National Grid NY ("KEDNY"), centered around the General

Information sections of each operating company's tariff, with particular focus on the Definitions section (Attachment 1). The Company took a comprehensive approach, breaking the General Information section into topics as identified in the Matrix (Attachment 2). Inherent operational differences between the companies' service territories preclude Niagara Mohawk from fully aligning all tariff language with that of KEDNY and KEDLI, leaving certain sections unchanged. However, in general, the Company has added/streamlined language within the sections and in the Definitions section wherever appropriate.

Based on the initial tariff streamline proposal submitted in July 2020, Attachments 1 and 2 have been expanded upon to identify the changes made, and note the corresponding tariff leaves that have been amended. Wherever the Company deviated from a recommendation in the aforementioned proposal, it is also noted with explanation. The re-aligned sections are:

- Definitions;
- Excelsior Jobs Program;
- Merchant Function Charge; and
- Safety Related Service Calls.

Waiver of the newspaper publication requirements of PSL §66-12 and 16 NYCRR §720.8 is requested for this filing.

This filing is made in accordance with Appendix 7-H (electronic filing system) to the Commission's Codes, Rules, and Regulations (16 NYCRR, Appendix 7-H).

Questions pertaining to this filing may be directed to Rozita Shortell at Rozita.Shortell@nationalgrid.com. Thank you for your time and attention to this matter.

Respectfully Submitted,
