Honorable Michelle Phillips, Secretary
State of New York
Public Service Commission
Office of the Secretary, 19th Floor
Three Empire State Plaza
Albany, NY 12223

Dear Secretary Phillips:

The attached statement, issued by Niagara Mohawk, d/b/a/ National Grid (“Company”), is being transmitted for filing in accordance with the requirements of the New York State Public Service Commission (“Commission”):

VDER Value Stack Cost Recovery Statement
Statement No. 56
To P.S.C. No. 220 Electricity
Effective: May 31, 2022

VDER Value Stack Cost Recovery Statement
Statement No. 56
To P.S.C. No. 214 Electricity
Effective: May 31, 2022

Attachment 1 details the rates calculated for each service classification by VDER Value Stack component. Also included in the calculation is the 2021 reconciliation of all costs paid to VDER Value Stack projects between December 1, 2020 and November 30, 2021. This calculation is detailed in Attachment 2. Attachment 3 is the workpapers with the detailed cost allocation and rate design for each VDER Value Stack component. The environmental market calculation on Attachment 3, page 5 has been updated using NYSERDA’s 2022 Quarter 1 Tier 1 REC Sale Price of \$22.25/MWh.

This VDER Value Stack Cost Recovery Statement is filed with the Commission on not less than three (3) business days before the effective date in accordance with Rule No. 40.2-Value Stack in PSC No. 220 Electricity. VDER Value Stack Cost Recovery Statement No. 56 is effective May 31, 2022 for batch billed customers and June 1, 2022 for calendar month billed customers.

Please direct any questions regarding this filing to the undersigned.

Sincerely,

/s/ Carol Teixeira
