Re: **Verizon Access Transmission Services: Tariff No. 9**
Name Change Filing

Dear Secretary Phillips,

Please find attached an original of the MCImetro Access Transmission Services Corp. d/b/a Verizon Access Transmission Services ("Verizon Access") Local Services Tariff No. 9. We respectfully request that the proposed tariff becomes effective on April 8, 2022.

With this filing, Verizon Access notifies the New York Public Service Commission of its name change from MCImetro Access Transmission Services Corp. d/b/a Verizon Access Transmission Services to MCImetro Access Transmission Services LLC d/b/a Verizon Access Transmission Services as the result of its conversion from a corporation to a limited liability company. Only the name has been changed throughout this tariff. The conversion to a limited liability company did not result in any change to the rates, terms, and conditions of the services that Verizon Access offers to its customers. Verizon Access informed its customers of the name change via bill message in the May 2021 invoices.

Verizon Access has registered the new name with the New York Secretary of State and the corresponding registration document is attached.

Please date stamp and return the extra copy of this filing in the enclosed self-addressed stamped envelope, indicating receipt. If you have any questions in this matter, please do not hesitate to contact me at either (202) 515-2592 or edwin.reese@verizon.com.

Respectfully Submitted,
