RE: Case 21-E-0453 further revision. The City of Salamanca Board of Public Utilities change to LEAF 14 of operational Tariff for updates to CHARGES.

Dear Secretary Phillips:

This letter is to serve as notification that the Board of Public Utilities for the City of Salamanca has raised its Charges & Fees structure of our operational Tariff of Leaf 14 (CHARGES).

The Salamanca BPU has carefully derived the new costing through wage and vehicle/fuel overhead as well as inflation for the fee that is assessed to customers for Reconnection of services after a disconnection occurs from \$20.00 to \$40.00.

The Salamanca BPU has likewise increased its Insufficient Funds & stop payment fee assessed a customer from \$20.00 to \$40.00 in keeping with local banking institutions.

No other wording regarding the Salamanca BPU's current Leaf 14 has changed. This change only applies to the money charges listed.

The Company respectfully requests a waiver of the newspaper publication requirements of Public Service Law §66(12)(b) and 16 NYCRR §720-8.1.

Sincerely,

A handwritten signature in black ink that reads "Dennis P. Hensel". The signature is written in a cursive style with a large, sweeping initial 'D'.
