RE: CASE 14-M-0094 – Order Authorizing the Clean Energy Fund Framework

Dear Secretary Phillips:

In accordance with the New York Public Service Commission's Order Authorizing the Clean Energy Fund Framework ("Order") issued January 21, 2016, Niagara Mohawk Power Corporation d/b/a National Grid (the "Company") hereby submits the following statement to become effective on January 1, 2022:

Statement of System Benefits Charge No. 26
To Schedule for Gas Service, PSC No. 219-GAS.

The purpose of this filing is to update The Clean Energy Fund ("CEF") for calendar year 2021 which is now zero since there are no longer any CEF budgets for natural gas companies. This zero CEF factor will be set forth on the Statement of System Benefits Charge.

Any questions regarding this filing should be directed to me at (917) 612-8964 or at Dawn.Herrity@nationalgrid.com.

Sincerely,

/s/Dawn Herrity
