## Honorable Michelle L. Phillips December 16, 2021

The CBC Charge recovers the costs associated with certain public benefit programs (*i.e.*, low income program, energy efficiency programs, and the clean energy programs) from non-demand billed customers installing NEM eligible on-site generation projects on or after January 1, 2022. The CBC Charge cannot be offset by credits for the customer's excess generation.

If there are any questions concerning this filing, please contact Kathy Grande at Kathy\_Grande@RGE.com or me at LACole@NYSEG.com.

Respectfully submitted,

Lori A. Cole
