Honorable Michelle L. Phillips, Secretary
State of New York
Public Service Commission
Office of the Secretary, 19th Floor
Three Empire State Plaza
Albany, NY 12223

Dear Secretary Phillips:

The attached statements, issued by Niagara Mohawk, d/b/a/ National Grid ("Company"), are being transmitted for filing in accordance with the requirements of the New York State Public Service Commission

Electric Vehicle Make-Ready Surcharge Statement
Statement No. 2
To P.S.C. No. 220 Electricity
Effective: January 28, 2022

Electric Vehicle Make-Ready Surcharge Statement
Statement No. 2
To P.S.C. No. 214 Electricity
Effective: January 28, 2022

The above statements are being filed in accordance with Rule 52 - Electric Vehicle Make-Ready ("EVMR") Surcharge in PSC No. 220 Electricity. Attachment 1 displays the unit rate calculation based on the costs to recover, allocated by service classification in proportion to each service classification's transmission and distribution revenue, and then divided by the forecasted usage by service classification. Attachment 2 displays the summary of current deferred costs for the Company's EVMR program allowed under Case 18-E-0138. Attachment 3 contains the calculation of the revenue requirement associated with Company-owned Make-Ready expenditures as described in PSC No. 220 Electricity tariff rule 52.1.1.

The EVMR Surcharge Statement is to be filed with the Commission on not less than fifteen (15) business days notice before the effective date. The EVMR Surcharge Statement No. 2 is effective January 28, 2022 for batch billed customers and February 1, 2022 for calendar month billed customers.

Please direct any questions regarding this filing to the undersigned.

Sincerely,

/s/ Carol Teixeira
