Re: Case 19-E-0378, Case 19-G-0379, Case 19-E-0380 and Case 19-G-0381 –  
Proceeding on Motion of the Commission as to the Rates, Charges, Rules and  
Regulations of New York State Electric & Gas Corporation and Rochester Gas and  
Electric Corporation for Electric and Gas Service

Dear Secretary Phillips:

In accordance with the Public Service Commission's Order Approving Electric and Gas Rate Plans in Accord With Joint Proposal, issued and effective November 19, 2020, New York State Electric & Gas Corporation is refiling the Revenue Decoupling Mechanism ("RDM") Statement to be effective January 4, 2022.

RDM Statement No. 26 to PSC 87 - Gas

The Revenue Decoupling Adjustment Mechanism Statement is being refiled due to a typographical error, one of the rates had two numbers transposed. The correct rates were entered into the billing system, therefore no customers were affected by this error.

Very truly yours,
