RE: Annual Gas RDM Adjustment

Dear Secretary Phillips:

Orange and Rockland Utilities, Inc. (the "Company") hereby submits for filing Statement RDM-16 to its Schedule for Gas Service, P.S.C. No. 4 – GAS (“Gas Tariff”). This statement is issued January 21, 2022, to become effective February 1, 2022.

The purpose of this filing is to implement the reconciliation of the Company's gas revenue decoupling mechanism for the period January 1, 2021 through December 31, 2021 (“Rate Year 3”) in accordance with General Information Section No. 25, Revenue Decoupling Mechanism (“RDM”) Adjustment, of the Gas Tariff.

The cumulative net delivery revenue excess for Rate Year 3 is $3,569,404, including interest.

Group-specific RDM adjustments have been determined to refund the net delivery revenue excess over the twelve-month period commencing February 1, 2022.

Attached as Appendix A to this filing are work papers showing the calculation of the RDM Adjustments set forth on Statement RDM-16.

Questions regarding this filing can be directed to Cheryl M. Ruggiero at (212) 460-3189.

Very truly yours,

/s/

William A. Atzl, Jr.
Director – Rate Engineering
