RE: Case 19-G-0310 – Proceeding on Motion of the Commission as to the Rates, Charges, Rules and Regulations of KeySpan Gas East Corp. d/b/a National Grid for Gas Service.

Dear Secretary Phillips:

In accordance with Section IV.3.20 of the Joint Proposal approved by the Commission's Order Approving Joint Proposal, as Modified, and Imposing Additional Requirements (issued and effective August 12, 2021) in Cases 19-G-0309 and 19-G-0310 (the "Order"), KeySpan Gas East Corp. d/b/a National Grid ("KEDLI" or "Company") submits for filing the gas tariff leaves listed below :

Second Revised Leaf No. 2
Sixth Revised Leaf No. 11
Twelfth Revised Leaf No. 12
Sixth Revised Leaf No. 12.1
Eighth Revised Leaf No. 13
Original Leaf No. 13.1.1
Twenty-Third Revised Leaf No. 14
Tenth Revised Leaf No. 15.2
Original Leaf No. 15.3
Eleventh Revised Leaf No. 16
Fourth Revised Leaf No. 24
Twenty-Third Revised Leaf No. 72
Fourth Revised Leaf No. 195

To Schedule for Gas Service, P.S.C. 1-GAS

Effective: 12/13/2021

The purpose of this filing is to streamline the general information section of KEDLI's tariff, PSC No. 1 ("Tariff"), in a manner consistent with the recommendations filed by Niagara Mohawk Power Corporation d/b/a National Grid ("Niagara Mohawk") in Case 20-G-0381 within 120 days of the Order.

The effort to align and streamline the Tariff and the tariff provisions of The Brooklyn Union Gas Company d/b/a National Grid NY ("KEDNY") – PSC No. 12 – was centered around the General Information sections of each, with particular focus on the Definitions section (Attachment 1). The Company took a comprehensive approach, breaking the General Information section into 62 topics as identified in the Matrix (Attachment 2). Inherent operational differences among the service territories of each company preclude KEDNY from fully aligning all tariff language with those of KEDLI and Niagara Mohawk, leaving those sections unchanged. However, the Company has added/streamlined language within the sub-sections and in the Definitions section wherever appropriate.

Based on the initial tariff streamline proposal submitted in July 2020, Attachments 1 and 2 have been expanded upon to identify the changes made, noting the corresponding tariff leaves which have been amended. If the Company deviated from a prior recommendation, it is also noted with explanation. The re-aligned sections are:

- Definitions
- Temporary Service
- Excelsior Jobs Program
- Weather Normalization Adjustment
- Merchant Function Charge
- Insulation Standards for Residential Space Heating
- Safety Related Service Calls
- Delivery Penalty Refund

Waiver of the newspaper publication requirements of PSL §66-12 and 16 NYCRR 720.8 is requested for this filing.

This filing is made in accordance with Appendix 7-H (electronic filing system) to the Commission's Codes, Rules, and Regulations (16 NYCRR, Appendix 7-H).

Questions pertaining to this filing may be directed to Rozita Shortell at Rozita.Shortell@nationalgrid.com. Thank you for your time and attention to this matter.

Respectfully Submitted,
