Re: Case 14-E-0423 – Order Directing Dynamic Load Management Program Changes

Dear Secretary Phillips:

Pursuant to Ordering Clause 6 of the Public Service Commission's ("Commission's") Order Directing Dynamic Load Management Program Changes ("Order") issued and effective March 15, 2024 in Case 14-E-0423, Central Hudson Gas & Electric Corporation ("Central Hudson" or "the Company"), hereby files the amended tariff leaf listed below on April 26, 2024 to become effective May 1, 2024.

**P.S.C. No. 15 – Electric**

5<sup>th</sup> Revised Leaf No. 163.5.41

The purpose of this filing is to decrease the Commercial System Relief Program event threshold from 97% to 94%.

Pursuant to the Secretary's April 25, 2024 Ruling on Extension Request approving the Affected Utilities' requested extension of time to file the tariff amendments required by Ordering Clause 4, the Company anticipates making any necessary tariff changes to comply with Ordering Clause 4 pursuant to a subsequent Commission order addressing the Petition for Rehearing, Reconsideration and Clarification and Motion for Stay file by National Grid on April 15, 2024.

Pursuant to Ordering Clause 7 of the aforementioned Order, the requirements of Public Service Law Section 66(12)(b) regarding newspaper publication of these tariff amendments have been waived.
