Re: Statements to P.S.C. No. 4 - Steam

Dear Secretary Phillips:

The enclosed statements, issued by Consolidated Edison Company of New York, Inc. (the "Company"), are transmitted for filing in compliance with the requirements of the Public Service Commission, State of New York. These statements become effective March 13, 2024.

**Statement Name**

Fuel Adjustment

Weather Normalization Clause Multipliers

**Statement No.**

FAC-188

WNA-3

The Company is also including revised Weather Normalization Clause Multipliers ("WNA") for the December 2023 period from WNA-1 and the January 2024 period from WNA-2 to reflect the below changes:

1. The "to" and "from" dates now show the regular billing cycles.
2. Numerical typos have been fixed.

The revisions to the December 2023 and January 2024 periods are cosmetic in nature and will not retroactively affect Customer bills. The Company also includes a copy of the workpapers used to determine FAC Statement No. 188.

Respectfully submitted,

/s/ William A. Atzl, Jr.
