Re: Case No. 23-E-0708
Filing to Amend Pole Attachment Charges

Dear Secretary Phillips:

By letters dated December 7, 2023 and February 2, 2024, Orange and Rockland Utilities, Inc. (the "Company") filed with the Public Service Commission (the "Commission") amendments to its Schedule for Electric Service, P.S.C. No. 3 – ELECTRICITY to become effective May 1, 2024.

Commission Staff has requested a postponement of the proposed tariff amendments to allow for more time for review. The Company accordingly files Supplement No. 55 to postpone the effective date of the tariff amendments included in its December 7, 2023 and February 2, 2024 filings to June 1, 2024. The Company hereby issues Supplement No. 55 with an effective date of April 12, 2024.

The Company requests waiver of newspaper publication of this filing since the Company has sent copies of the Company's proposed changes to all cable television companies and telecommunication carriers that currently attach facilities to the Company's poles and this filing only serves to postpone the effective date of the Company's December 7, 2023 and February 2, 2024 filings.

Any questions regarding this filing can be directed to Cheryl Ruggiero at (212) 460-3189.

Sincerely,

/s/
William A. Atzl, Jr.
Director – Rate Engineering
