Dear Secretary Phillips:

This filing is also made in accordance with Appendix 7-H (electronic tariff filing system) of the New York State Public Service Commission’s (“PSC” or “Commission”) Codes, Rules and Regulations (16 NYCRR Appendix 7-H). The tariff leaves will become effective on a temporary basis on April 17, 2024.

Purpose of Filing

The purpose of this filing is to address minor changes to the Companies' initial compliance filing submitted October 27, 2023, in the above-referenced proceedings. After discussion with DPS Staff, the Companies have made minor changes to remove duplicative language and add language that was inadvertently removed in the October 27, 2023, filing.

Newspaper Publication

Ordering Clause No. 6 of the Order requires the Companies to publish an advertisement of the tariff amendments for Rate Year 1. The Companies are requesting waiver of newspaper publication because the Companies completed newspaper publication for tariff revisions for Rate Year 1 and this filing only addresses minor changes.
