**Re: Case 23-E-0593, Filing to Amend Pole Attachment Charges**

Dear Secretary Phillips:

On October 9, 2023, Consolidated Edison Company of New York, Inc. (the “Company”) made a tariff filing with the Public Service Commission proposing changes to the Company’s Schedule for Electricity Service, P.S.C. No. 10 – Electricity, to update the pole attachment rates applicable to span wire and wireless pole attachments in Rider K. The tariff changes were proposed to become effective on February 1, 2024. At the request of the Staff of the Department of Public Service, these changes were postponed to March 1, 2024.

The Staff of the Department of Public Service has requested a further postponement of the tariff changes to April 1, 2024. Accordingly, the Company hereby submits Supplement No. 81 to P.S.C. No. 10 – Electricity to postpone the effective date of the tariff changes to April 1, 2024.

The Supplement is issued on 30 days’ notice and has an effective date of February 25, 2024. The Company respectfully requests waiver of notice requirements of the proposed change in the effective date.

Questions regarding this filing can be directed to Ricky Joe at (212) 460-4995.

Sincerely,

/s/ William A. Atzl, Jr.  
Director  
Rate Engineering Department
