Honorable Debra Renner, Acting Secretary
Public Service Commission

Albany, New York 12223

Dear Acting Secretary Renner:

The enclosed supplement issued by Niagara Mohawk Power Corporation, is transmitted for filing in accordance with the requirements of the Public Service Commission, State of New York:

Supplement No. 4

To PSC No. 214 Electricity

Issued: August 18, 1999

The purpose of this filing is to postpone the effective date from October 1, 1999 to October 12, 1999 for the filing issued August 12, 1999 proposing to amend the Company's tariffs for specific conditions associated with the administration of the New York Independent System Operator (NYISO). This filing specifically proposed tariff revisions that addressed retail tariff amendments.

As requested in the original filing letter, this postponement is requested due to the fact that the implementation date of the NYISO has been delayed to October 12, 1999 and the leaves filed are directly linked to this implementation date.

Also, the Company requests waiver of newspaper publication for this filing.

Please advise the undersigned of any further action regarding this proceeding.

Very truly yours,

NIAGARA MOHAWK POWER CORPORATION
