NIAGARA MOHAWK POWER CORPORATION
February 3, 1998

Mr. John C. Crary
Secretary
Public Service Commission
3 Empire State Plaza
Albany, New York 12223

Dear Mr. Crary:

The following revised leaves are hereby transmitted for filing in accordance with the requirements of the Public Service Commission of the State of New York.

Third Revised Leaf No. 154
Third Revised Leaf No. 170
Supplement No. 1

To P.S.C. No. 218 Gas

Effective: March 5, 1998

The above listed tariff leaves are being filed to make a housekeeping filing necessary in order to combine two filings made by the Company on October 31, 1997 and November 20, 1997. On October 31, 1997 the Company filed First Revised Leaf Nos. 154 and 170 to become effective on January 23, 1998 in Case No. 97-G-1913. This filing was approved by the Commission's order dated January 21, 1998. On November 20, 1997, the Company filed Second Revised Leaf Nos. 154 and 170 in compliance with the Commission's order in Case No. 96-G-0454 regarding the submetering of gas service to commercial and industrial customers. Those leaves were approved by the Commission per order dated December 17, 1997.

Supplement No. 1 to PSC No. 218 is being filed in order to cancel Second Revised Leaf Nos 154 and 170 in as much as the Commission's new electronic filing system does now allow two tariff leaves to be superseded at the same time.

The tariff leaves listed above merely merge the two filings together. The Company requests waiver of 16NYCRR 270.70 related to newspaper publication as this filing will have no material impact on any of the Company's customers.
