Honorable Janet H. Deixler, Secretary
Secretary
Public Service Commission
3 Empire State Plaza
Albany, New York 12223

Dear Secretary Deixler:

Enclosed for filing with the Commission is Niagara Mohawk Power Corporation's (Niagara Mohawk or Company) Statement being filed in compliance with the Public Service Commission's Order in Case No. 00-M-1556 issued and effective December 21, 2000.

Revenue Tax Surcharge Statement No. 9

To P.S.C. No. 214 Electricity

Effective: January 10, 2003

The purpose of this filing is of a housekeeping/conforming nature to amend the above Revenue Tax Surcharge Statement which was originally filed on November 25, 2002 with an effective date of January 1, 2003. This filing constituted the Company's compliance with recent tax changes included in the 2000-2001 New York State Budget.

It has been determined by further review of the factors contained in the above Statement that the surcharge filed for Non-Residential Delivery, contained on page 3 of this Statement, should be stated to five decimal places and needed to be updated for consistent billing purposes.

A separate filing is being made to implement this change for P.S.C. No. 207 Electricity.

Waiver of the requirements of §66(12)(b) of the Public Service Law as to newspaper publication of the tariff revisions is requested for this filing.

Please advise the undersigned of any action taken with respect to this filing.

Sincerely,

George A. Bauman
Manager, Tariff Services
