Re: Case 00-G-1858 - Compliance Filing Revision  
National Fuel Gas Distribution Corporation

Dear Secretary Deixler:

Enclosed for filing in the above-referenced proceeding are two revised tariff amendments that changed from the original filing made on April 22, 2002. Due to problems with the electronic filing system there was more than one attempt in making the compliance filing. Subsequent to the initial filing the Company made two tariff changes to the initial filing that did not get accepted. There is one rate change on Leaf 156.1 and minor language changes to Leaf 183. The Company is requesting an effective date of June 14, 2002 for the following leaves.

Leaf No. 156.1	Revision 2
Leaf No. 183	Revision 3

Please direct any questions to Tom Clark at 716-857-7008 or Bev Hogan at 716-857-7950.

Respectfully submitted,

Michael W. Reville
