Ms. Janet H. Deixler
Secretary
Public Service Commission
Three Empire State Plaza
Albany, NY 12223

Dear Secretary Deixler:

Attached for electronic filing with the Commission are the following tariff leaves, issued by KeySpan Gas East Corporation d/b/a KeySpan Energy Delivery of Long Island ("the Company"), to become effective on September 30, 2001:

First Revised Leaf No. 79.1
First Revised Leaf No. 79.2

to Schedule for Gas Service, P.S.C. No. 1-GAS.

This filing is being made to extend the Business Incentive Rate Program, which is designed to help attract and retain businesses to Long Island, for another three years. The current program is due to expire September 30, 2001.

The Company also seeks to expand the Program's applicability criteria to include graduates from the New York State Incubator Program. This will provide an inducement for these companies (which are generally biotech or software companies sought by other states) to remain on Long Island.

If you have any questions regarding this filing, please contact Joan Graves at 718-403-2560.

Respectfully submitted,

KEYSPAN GAS EAST CORPORATION
d/b/a KEYSPAN ENERGY DELIVERY OF L.I.
