Ms. Janet Hand Deixler  
Secretary  
New York Public Service Commission  
3 Empire State Plaza  
Albany, NY 12223-1350

Dear Ms. Deixler:

The Green Island Power Authority hereby files "housekeeping changes" to its Concurrence Tariff currently effective on a temporary basis as ordered in Case No. 98-E-0602. These changes are being proposed following discussion with Commission staff. Green Island Power Authority requests that the Commission waive its newspaper publication requirement because the filing will have no effect on its customers.

Sincerely,

John Peek  
Electric Dept. Supt.
