Re: Case No. 97-G-1380 - In the Matter of Issues Associated with the Future of the Natural
Gas Industry and the Role of Local Gas Distribution Companies

Dear Acting Secretary Renner:

Attached for filing electronically with the Commission is the following tariff leaf, issued by
KeySpan Gas East Corporation D/B/A Brooklyn Union of Long Island ("the Company"), to
become effective on November 1, 1999:

Third Revised Leaf No. 161.1
to Schedule for Gas Service, P.S.C. No. 1-GAS.

This leaf is being filed in compliance with the Commission's Order dated August 19, 1999.
After discussions between the Company and Staff, the Company has decided to reduce the
Demand Charge associated with the Company's Standby Gas Service to \$0.30/dth instead of
\$0.43/dth. Such a change more accurately reflects the value of such service.

If you have any questions regarding this filing, please contact Nancy Cianflone at 718-
403-2505.

Respectfully submitted,

KEYSPAN GAS EAST CORPORATION
D/B/A BROOKLYN UNION OF LONG ISLAND
