Re: Case No. 27611 - Temporary Metropolitan Business Tax Surcharge

Dear Acting Secretary Renner:

Enclosed for filing electronically is the Statement of Adjustment in Rates and Charges issued by The KeySpan Gas East Corporation d/b/a Brooklyn Union of Long Island (Company) to become effective April 1, 2000:

Statement No. 4, Statement of Adjustment in Rates and Charges
to Schedule for Gas Service, PSC No. 1-GAS.

This filing is made pursuant to both the Commission's Order adopted February 9, 1983 in the aforementioned proceeding authorizing the initial recovery of the Temporary Metropolitan Business Tax Surcharge and the subsequent orders approving various extensions of the surcharge.

In accordance with this order, the percentage rate of surcharge was computed by dividing the actual 1999 surcharge expense of \$4,555,552 by the Company's estimated operating revenues for the year ending March 31, 2001. The workpaper detailing this calculation will be sent under separate cover.

Respectfully submitted,

KEYSPAN GAS EAST CORPORATION
