NYSEG

July 16, 1998

Honorable John C. Crary
Secretary
Public Service Commission
3 Empire State Plaza
Albany, New York 12223

Dear Secretary Crary:

The enclosed revised leaves, issued by New York State Electric & Gas Corporation ("NYSEG"), are transmitted for filing in compliance with the requirements of the Public Service Commission of the State of New York.

Second	Revised Leaf No. 10 to PSC No. 87 Gas
Second	Revised Leaf No. 8 to PSC No. 88 Gas
First	Revised Leaf No. 86 to PSC No. 89 Gas

Effective August 24, 1998.

Purpose of Filing

This filing is to revise the tariff language in the aforementioned leaves. The proposed revisions remove wording that is no longer valid or has become inappropriate to make the leaves current and up-to-date.

The RTS factors have been calculated and are being filed under separate cover letter dated today, to be effective August 1, 1998.

CUSTOMER IMPACT

The proposed revisions are "housekeeping" in nature and, therefore, have no impact on the Company's gas customers.

NEWSPAPER PUBLICATION

NYSEG requests waiver from newspaper publication pursuant to 16 NYCRR 270.70(a), as these revisions are housekeeping changes.

Company Contact

Questions regarding these revisions should be directed to me at (607) 762-5611.

Very Truly Yours,

/dls
Encls.
